

**52 SPORTFISHERMAN  
STANDARD EQUIPMENT SPECIFICATIONS**

**SPECIFICATIONS**

Length	52'6"
Beam	16'0"
Draft	5'0"
Fuel Capacity	1,000 gallons
Displacement	52,000
Water Capacity	200 gallons

**HARDWARE AND OUTFITTING**

Stainless steel cleats-(2) stern, (4) amidship,  
(2) forward  
Stainless steel water-fill deck plate mounted in cockpit  
for easy access  
Stainless steel line deck pipe  
Stainless steel line chocks  
Stainless steel 1" rubrail/molding on sheer  
and guards  
White side-mounted cabin handrails

**MECHANICAL**

Emergency bilge pump system on both engines  
Quarter-turn sea valves on all bottom thru-hull fittings  
Stainless steel 20 gallon water heater  
Fiberglass silencers  
Diesel generator with sound shield  
Engine room vent fans  
DC oil change system – engines, transmissions, generator  
3" stainless steel shafting, Aqua Tech-22  
Automatic fresh water system with pump  
Nibral propellers Class S  
Waste holding tank system with pumpout  
Automatic shower pumpout  
Main engine start and stop switches  
Davis Custom stainless steel rudders  
Port and starboard centralized drainage system  
Engine room freshwater outlet  
Fuel filters for main propulsion/generator engines  
Coolant recovery system on main propulsion engines  
Stainless steel trim tabs with recessed actuators  
Engine room with high gloss finish  
Dripless shaft and rudder seals

## **CONSTRUCTION/EXTERIOR**

Three-piece seamless construction featuring a DAVIS split hull mold with solid fiberglass bottom, Divinylcyl cored fiberglass hull sides, a one-piece reinforced fiberglass super structure with foredeck, cabin and bridge and a one-piece fiberglass reinforced cockpit.

Lazarette and engine room are top coated with Awlgrip white paint.

Lower guardrails and upper shear guards are solid fiberglass with stainless steel rubrail protective molding.

All exterior cleats are reinforced with solid metal backup plates.

All under water appendages are bonded and main struts are reinforced with fiberglass and bronze backing plates.

## **FLYBRIDGE**

DC electrical panel with circuit breakers

DAVIS custom teak helm bubble with single-lever controls, polished stainless steel control handles and steering wheel, neutral lockout and engine synchronizer

Electrically activated lift-up electronics console

Fuel gauge

Wrap-around seating with storage under and all-weather cushions

Insulated drinkbox

Molded armrest with storage

Compass with light

Helm chairs (2)

Anodized aluminum ladder secured/fitted to cabin top

## **COCKPIT**

Baitwell insulated with seawater circulation pump

Insulated drink box with removable tray

Large insulated under deck fishbox with pumpout

Built-in insulated transom fish box

Large, removable under-deck line and fender storage

Large walk-through tuna door with locking latch and heavy duty stainless steel recessed hinge

Recessed exterior lighting molded in overhang

Engine room entrance with draining waterways

High volume overboard drains

Dockside water inlet with pressure-reducing valve

Built-in backing plate for fighting chair

Fresh and salt water wash down systems with quick disconnect

Top loading freezer with removable bait tray

Tackle center

Cable rewind

## **ELECTRICAL**

120/240 volt 50 amp retractable shoreline  
with cable storage  
AC/DC main electrical panel with amperage and  
voltage metering, sliding gate shore/generator  
selector system, magnetic circuit breakers, generator  
remote and bilge pump control  
24/12 volt flybridge electrical panels for equipment  
and electronics  
Eight heavy duty marine 12 volt batteries grouped  
in two 24 volt banks maintained by a fully automatic  
battery charger  
Battery parallel system  
AC and DC fluorescent engine room lighting with  
duplex ground fault receptacle  
Fresh water and fuel tank level gauges  
Internal bonding system with zinc anode protection and Dynaplate grounding  
AC and DC lighting in staterooms and salon/galley  
Ground fault protected utility receptacles throughout  
CA/TV-phone inlet

## **SAFETY AND NAVIGATION**

Navigation lights  
Automatic bilge pumps in lazarette, engine room and  
forward bilge with high-water alarm  
Alarm system for engine and gear oil pressure,  
water temperature and exhaust system  
Automatic engine room fire suppression system  
Smoke/fire alarm system

## **GALLEY**

Under counter drawer style refrigerator/freezer  
Convection/microwave oven  
Stainless steel sink and faucet with cover  
Ceramic two burner cooktop, accessed with safety shutoff  
Under counter and over counter pantry storage  
Corian surface countertops  
Wood flooring  
Wood accent package  
Bar area with ice maker  
Over counter task lighting

## **SALON**

Carpeting throughout  
Vinyl headliner  
Wood accent package  
Recessed lighting  
Sofa with pneumatic lifting seats to access storage beneath (2)  
CD/Stereo sound system with television and DVD player  
Air conditioning system with digital control  
Seamless, tinted and tempered window glass  
Carpet padding over engine room  
Telephone/modem outlet  
Teak high/low table

## **COMPANIONWAY**

Carpeting  
Vinyl wall covering  
Recessed overhead lighting  
Wood accent package  
Step lighting  
Central vacuum system  
Stacked washer/dryer

## **MASTER STATEROOM**

Double berth with storage compartment  
and drawers below  
Carpeting  
Vinyl headliner with recessed lighting  
Vinyl wall covering  
Deck hatch with shade  
Upholstered headboard, mattress with  
bedspread, pillows and nightstand  
Cedar-backed hanging lockers with automatic light  
Air conditioning system (10,000 BTU) with digital control  
Wood accent package  
CD/stereo system with built in television and DVD  
Built in storage compartments and drawers  
Expansive upper hull-side storage

## **MASTER HEAD & GUEST HEADS**

Vinyl headliner  
Vinyl wall covering  
Wood flooring  
Designer countertops with integral sink and faucet  
Vacuum toilet with holding tank level indicator  
Mirrored medicine cabinet with shelf and storage  
Exhaust fan  
Fiberglass shower stall with safety glass door  
Slide-bar showerhead  
Wood accent package  
Air conditioning discharge vent

## **GUEST STATEROOM**

Upper and lower berths  
Carpeting  
Vinyl headliner with recessed lighting  
Wood veneer paneling  
Vinyl wall covering  
Mattresses with bedspreads, pillows  
and nightstand  
Cedar-backed hanging locker with automatic light  
Air conditioning system (7,000 BTU) with digital control  
Wood accent package

## **OPTIONAL EQUIPMENT**

An extensive array of optional equipment is available to customize each Davis Sportfishing Yacht to the unique tastes and requirements of its owners. Please see your Davis salesperson for a complete listing of optional equipment.

## **NOTES**

The company reserves the right to make changes without notice, at any time in equipment, materials, speed, performance, prices and specifications. Orders requesting any material and/or equipment which differs from that selected by Davis as standard or optional for this model will be considered a custom change and will require additional charges. Once production begins, the addition of option (not standard) equipment may require additional charges due to non-standard installation requirements and/or lead times. In order to show equipment size and location, line drawings and photos may show some optional equipment. Capacities of tanks are estimates. Useable volume varies depending upon condition and circumstances. Generator is not intended to supply power for all standard and optional accessories. Load must be limited to generator output rating. Standard bottom paint color is blue. Weight is estimated with fuel, holding and freshwater tanks full. Additional charge for custom work
