Slide-bar showerhead
Electric toilet with holding tank level indicator
Exhaust fan

OPTIONAL EQUIPMENT

An extensive array of optional equipment is available to customize each DAVIS Sportfishing Yacht to the unique tastes and requirements of its owners. Please see your DAVIS salesperson for a complete listing of optional equipment

NOTES TO SPECIFICATIONS & EQUIPMENT

The company reserves the right to make changes without notice, at any time in equipment, materials, prices, speed, performance and specifications.

Orders requesting any material and/or equipment which differs from that selected by Davis as standard or optional for this model will be considered a custom change and will require additional charges. Once production begins, the addition of option (not standard) equipment may require additional charges due to non-standard installation requirements and/or lead times. In order to show equipment size and location, line drawings and photos may show some optional equipment.

Capacities of tanks are estimates. Useable volume varies depending upon condition and circumstances.

Generator is not intended to supply power for all standard and optional accessories. Load must be limited to generator output rating.

Standard bottom paint color is blue

Weight calculated is with fuel, water and holding tanks full.

Additional charge for custom work.
