

**70 SPORTFISHERMAN
STANDARD EQUIPMENT SPECIFICATIONS**

SPECIFICATIONS

Length	70'0"
Beam	19'6"
Draft	5'6"
Draft with Tunnels	4'6"
Fuel Capacity	2,200 gallons
Displacement	100,000
Freeboard Forward	7'2"
Headroom	6'8"
Water Capacity	290 gallons

HARDWARE AND OUTFITTING

Stainless steel cleats-(2) stern, (4) amidship,
(2) forward
Stainless steel water-fill deck plate
Stainless steel line chocks
Stainless steel 1¼" rubrail/molding on sheer
and guards
White side-mounted cabin handrails
Hinged, fiberglass anchor locker hatch
Hatches (3)
Anchor locker

MECHANICAL

Emergency bilge pump system-one each both
Quarter-turn sea valves on all bottom
thru-hull fittings
20 gallon water heaters (2) (one services the
Master head only)
Fiberglass mufflers
Diesel generator with sound shield
Marine engine alternators
Engine room vent fans
DC oil change system with oil tank
3 1/2" stainless steel shafting, Aqua Tech-22 HS
Automatic fresh water system with pump
Water filtration system
Nibral propellers
Waste holding tank system with pumpout
Automatic shower sump pumpout
Main engine start and stop switches
Stainless steel rudders
Port and starboard centralized drainage system
AC/DC fuel transfer pumps

Engine room freshwater outlet
DAVIS custom sea chest with strainer plates
Fuel filters for main propulsion/generator engines
Walk-in engine room entry
Coolant recovery system on main propulsion engines
Stainless steel trim tabs with recessed actuators
Engine room with high gloss finish
Dripless shaft and rudder seals
Power assisted steering

CONSTRUCTION/EXTERIOR

Three piece seamless construction featuring a DAVIS split hull mold with solid fiberglass bottom, Divinycel hull sides, a one-piece reinforced fiberglass super structure with foredeck, cabin and bridge and a one-piece fiberglass reinforced cockpit
Lower guardrails and upper shear guards are fiberglass with stainless steel rub rails protective molding.
All exterior cleats are reinforced with metal backup plates.
All under water appendages are bonded and main struts are reinforced with backing plates.

FLYBRIDGE

AC and DC electrical panel with circuit breakers
DAVIS custom teak helm station with single-lever controls, polished stainless steel control handles and steering wheel
Neutral lockout and engine synchronizer
Electrically activated lift-up electronics console
Molded wet bar with sink and refrigerator drink box
Fuel gauge
Wrap-around seating with storage under and vinyl cushions
Compass with light
Helm seat and companion seat
Insulated drink box
Engine gauge package

ENCLOSED FLYBRIDGE (optional)

Integral two-piece molded fiberglass construction
Anodized aluminum safety rails and stanchions on aft deck
Anodized aluminum ladder from cockpit to aft flybridge deck
Adjustable helmsman seat with cushions
DAVIS custom port and starboard bench seats with cushions, backrests and storage below
Frameless windows with safety glass sides and front
Three electric windshield wipers with washers and remote controls
DAVIS custom helm station with single lever controls, steering wheel, neutral lockout, engine synchronizer, electronics storage compartments and instrumentation
Compass

Fuel level gauges
AC/DC light fixtures
AC duplex outlets and switches
Stereo speakers
Telephone outlet
Carpeting
Vinyl headliner
Upholstered valance with window shades
L-shaped lounge to starboard with rod storage below
BTU Air conditioning
Wet bar with icemaker, faucet and bottle storage

COCKPIT

Fully enclosed day head/shower with sink, faucet,
toilet and storage
Baitwell-circular and insulated with seawater circulation
pump
Insulated drink box with removable tray
Large insulated under deck fishbox with macerator pumpout
Built-in insulated transom fish box
Large, removable under-deck line and fender storage
Large walk-through tuna door with locking latch
Exterior lighting in overhang
Engine room entrance with draining waterways
Cockpit drains
Dockside water inlet with pressure-reducing valve
Built-in backing plate for fighting chair
Fresh and salt water wash down systems
Freezer with removable bait tray
Built in tackle center
Port and starboard cable rewind
Cockpit speakers
Salon exterior door with finish
Cockpit speakers/stereo

ELECTRICAL

Two each 120/240 volt 50 amp retractable shoreline
with cable storage
Two each 50 amp shoreline isolation transformer
AC/DC main electrical panel with amperage and
voltage metering, sliding gate shore/generator
selector system, magnetic circuit breakers, generator
remote and bilge pump control
24/12 volt flybridge electrical panel for equipment
and electronics
Eight heavy duty marine 12 volt batteries grouped
in two 24 volt banks maintained by a pair of fully automatic
battery charge
Battery parallel system
AC and DC fluorescent engine room lighting with
duplex ground fault receptacle
Fresh water and fuel tank level gauges
Internal bonding system with zinc anode protection
AC and DC lighting in staterooms and salon/galley
Ground fault protected utility receptacles throughout
CA/TV-phone inlet

SAFETY AND NAVIGATION

Navigation lights
Automatic bilge pumps in lazarette, engine room and forward bilge with high-water alarm
Alarm system for engine and gear oil pressure, water temperature and exhaust system
Fireboy manual/auto discharge fire suppression system
Smoke alarm

GALLEY

SubZero under counter refrigerator and SubZero under counter freezer
Microwave/oven
Stainless steel double bowl sink with faucet
Ceramic four burner cooktop
Exhaust fan
Under counter and over counter storage
Designer countertops
Custom flooring
Over counter lighting
Dishwasher
Trash compactor
Garbage disposal

DINETTE AREA

Upholstered dinette seating
Storage under cushions
Dinette table

SALON

Carpeting with sound dampening carpet pad
Vinyl headliner
Sofa with lifting seats to access storage beneath
Upholstered lambrequin boards
CD/Stereo sound system with flat screen television and DVD player
Bose sound system speakers
Wet icemaker
Air conditioning system 48,000 BTU with digital control
Tinted and tempered window glass
Telephone/modem outlet
Cocktail table
Decorative throw pillows
Two bar stools
AC and DC light fixtures

COMPANIONWAY

Carpeting
Overhead lighting
Step lighting
Central vacuum system

PANTRY

Vinyl headliner
Expansive pantry storage
Washer and dryer
Freezer

**CREW'S QUARTERS
(per optional layout B)**

Upper and lower berths
Upholstered bunk rails
Vinyl headliner
Foam mattresses with bedspread, pillow shams, pillows
Air conditioning system 7,000 BTU with digital control
Lights
Wet head

FULL WIDTH MASTER STATEROOM

Walk around bed with storage compartment
and drawers underneath
Upholstered bunkrail
Carpeting
Vinyl headliner
Wood veneer
Upholstered headboard, foam mattress with
bedspread, pillow shams and pillows
Cedar-backed hanging lockers with automatic light
Air conditioning system with digital control
CD/stereo system with built in flat screen television with DVD player
Bose stereo speakers
Telephone/modem outlet
Vanity mirror with drawers
Decorative throw pillows
AC and DC light fixtures

MASTER HEAD

Vinyl headliner
Vinyl wall covering
Designer countertops with sinks
Toilet with holding tank level indicators
Medicine cabinet with mirrored doors
Exhaust fan
Fiberglass shower stall with safety glass door
and removable floor tile for sump pump access
Slide-bar showerhead
Air conditioning discharge vent
Lights

FORWARD GUEST STATEROOM

Full size berth with storage compartment
drawers underneath
Upholstered bunkrail
Carpeting
Vinyl headliner
Vinyl wall covering
Upholstered headboard, foam mattress(es) with bedspread,
pillow shams and pillows
Nightstands
Cedar-backed hanging lockers with automatic light
Air conditioning system with digital control
CD/stereo and built in LCD TV/DVD player
Expansive upper hull side storage
Telephone/modem outlet
AC and DC light fixtures

FORWARD HEAD

Vinyl headliner
Vinyl wall covering
Designer countertops with sink and faucet
Toilet with holding tank level indicator
Medicine cabinet with mirrored doors
Exhaust fan
Fiberglass shower stall with safety glass door
Slide bar showerhead
Air conditioning discharge vent
Lighting

PORT GUEST STATEROOM

Upper and lower berths
Upholstered bunk rails
Carpeting
Vinyl headliner
Vinyl wall covering
Foam mattress with bedspreads, pillow shams
and pillows
Cedar-backed hanging locker with automatic light
Air conditioning system with digital control
Built in storage compartments and drawers
Lights

GUEST HEADS

Vinyl headliner
Vinyl wall covering
Designer countertops with sink
Toilet with holding tank level indicator
medicine cabinet with mirrored doors
Exhaust fan
Fiberglass shower stall with safety glass door
Slide bar showerhead
Air conditioning discharge vent
Lights

STARBOARD GUEST STATEROOM

Upper and lower berths
Upholstered bunk rails
Carpeting
Vinyl headliner
Vinyl wall covering
Foam mattress with bedspread, pillow shams
and pillows
Cedar-backed hanging locker with automatic light
Air conditioning system 7,000 BTU with digital control
Lights

OPTIONAL EQUIPMENT

Optional equipment is available to customize each Davis Sportfishing Yacht to the unique tastes and requirements of its owners. Please see your Davis salesperson for a complete listing of optional equipment.

NOTES TO SPECIFICATIONS & EQUIPMENT

The company reserves the right to make changes without notice, at any time in equipment, materials, prices and specifications. Orders requesting any material and/or equipment which differs from that selected by Davis as standard or optional for this model will be considered a custom change and will require additional charges. Once production begins, the addition of option (not standard) equipment may require additional charges due to non-standard installation requirements and/or lead times. In order to show equipment size and location, line drawings and photos may show some optional equipment.

Capacities of tanks are estimates. Useable volume varies depending upon condition and circumstances.

Generator is not intended to supply power for all standard and optional accessories. Load must be limited to generator output rating.

Bow rails are recommended but are part of the client's sole and absolute outfitting responsibility.

Additional charge for custom work.

Weight, draft, freeboard and height are based on an estimate of model's displacement. Weight is estimated with fuel, holding and freshwater tanks half full. Actual figures will vary depending on production tolerances, equipment, supplies and stores on board, as well as operational and sea conditions.
