

**58 SPORTFISHERMAN
STANDARD EQUIPMENT SPECIFICATIONS**

SPECIFICATIONS

Length	58'5"
Beam	17'9"
Draft	5'2"
Fuel Capacity	1,500 gallons
Displacement	70,000
Freeboard Forward	7'0"
Headroom	6'8"
Water Capacity	250 gallons

HARDWARE AND OUTFITTING

Stainless steel cleats-(2) stern, (4) amidship,
(2) forward
Stainless steel water-fill deck plate
Stainless steel line chocks
Stainless steel 1¼" rubrail/molding on sheer
and guards
White side-mounted cabin handrails
Hinged, fiberglass anchor locker hatch
Hatches (3)

MECHANICAL

Emergency bilge pump system on both
engine seacocks
Quarter-turn sea valves on all bottom
thru-hull fittings
20 gallon water heater
Fiberglass silencers
Generator with sound shield
High-amp marine engine alternators
Engine room vent fans
Oil change system, engines, transmissions, generator
3" stainless steel shafting, Aqua Tech-22 HS
Automatic fresh water system with pump
Nibral propellers
Waste holding tank system with pumpout
Automatic shower sump pumpout
Main engine start and stop switches
Stainless steel rudders
Port and starboard centralized drainage system
AC/DC fuel transfer pumps
Engine room freshwater outlet
DAVIS custom sea chest with strainer plates
Fuel filters for main propulsion/generator engines

Walk-in engine room entry
Coolant recovery system on main propulsion engines
Stainless steel trim tabs with recessed actuators
Engine room with high gloss finish
Dripless shaft and rudder seals
Power assisted steering

CONSTRUCTION/EXTERIOR

Three piece seamless construction featuring a
DAVIS split hull mold with solid fiberglass
bottom, Divinycel fiberglass core hull sides,
a one-piece reinforced fiberglass super
structure with foredeck, cabin and bridge
and a one-piece fiberglass reinforced cockpit
Lower guardrails and upper shear guards are
fiberglass with stainless steel rub rails protective
molding.
All exterior cleats are reinforced with metal
backup plates.
All under water appendages are bonded and main
struts are reinforced with backing plates.

FLYBRIDGE

AC and DC electrical panel with circuit breakers
DAVIS custom teak helm station with
single-lever controls, polished stainless steel
control handles and steering wheel, neutral
lockout and engine synchronizer
Electrically activated lift-up electronics console
Insulated drinkbox/storage box under forward
flybridge seating
Fuel gauge
Wrap-around seating with storage under and vinyl cushions
Compass with light
Helm seat and companion seat
Insulated drink box
Engine gauge package

COCKPIT

Baitwell-circular and insulated with seawater circulation
Pump
Insulated drink box
Large insulated under deck fishbox with macerator pumpout
Built-in insulated transom fish box
Large, removable under-deck line and fender storage
Large walk-through tuna door with locking latch
Exterior lighting in overhang
Engine room entrance with draining waterways
Drain scupper
Dockside water inlet with pressure-reducing valve
Built-in backing plate for fighting chair
Fresh and salt water wash down systems
Top loading freezer with bait tray
Built in tackle center
Port and starboard cable rewind
Cockpit speakers

Salon exterior door with varnish finish

ELECTRICAL

Two each 120/240 volt 50 amp retractable shoreline
with cable storage
Two each 50 amp shoreline isolation transformer
AC/DC main electrical panel with amperage and
voltage metering, sliding gate shore/generator
selector system, magnetic circuit breakers, generator
remote and bilge pump control
24/12 volt flybridge electrical panels for equipment
and electronics
Eight heavy duty marine 12 volt batteries grouped
in two 24 volt banks maintained by a fully automatic
battery charge
Battery parallel system
AC and DC fluorescent engine room lighting with
duplex ground fault receptacle
Fresh water and fuel tank level gauges
Internal bonding system with zinc anode protection
AC and DC lighting in staterooms and salon/galley
Ground fault protected utility receptacles throughout
CA/TV-phone inlet

SAFETY AND NAVIGATION

Navigation lights
Automatic bilge pumps in lazarette, engine room and
forward bilge with high-water alarm
Alarm system for engine and gear oil pressure,
water temperature and exhaust system
Automatic engine room fire suppression system with
manual discharge
Smoke alarm

GALLEY

SubZero under counter refrigerator and under
counter freezer
Convection/microwave oven
Stainless steel sink with faucet
Ceramic four burner cooktop, accessed with safety shutoff
Storage cabinets and drawers
Designer countertops
Teak and holly flooring
Over counter lighting

DINETTE AREA

Upholstered dinette seating
Storage under cushions
Dinette table

SALON

Carpeting with sound dampening carpet pad
Vinyl headliner
Sofa with lifting seats to access storage beneath
CD/Stereo sound system with flat screen
television and DVD player
Bose sound system
Air conditioning system with digital control
Tinted and tempered window glass
Telephone/modem outlet
Cocktail table
Decorative throw pillows
AC and DC light fixtures

COMPANIONWAY

Carpeting
Overhead lighting
Step lighting
Central vacuum system
Stacked washer/dryer

MASTER STATEROOM

Walk around bed with storage compartment
and drawers underneath
Carpeting
Vinyl headliner
Vinyl wall covering
Upholstered headboard, foam mattress with
bedspread, two pillow shams and pillows
Nightstands
Cedar-backed hanging lockers with automatic light
Air conditioning system with digital control
CD/stereo system with built in LCD television with DVD
Built in storage compartments and drawers
Telephone/modem outlet
Decorative throw pillows
AC and DC light fixtures

MASTER HEAD

Vinyl headliner
Vinyl wall covering
Teak and holly flooring
Corian countertops with integral sinks
Toilet with holding tank level indicator
Medicine cabinet with mirrored doors
Exhaust fan
Fiberglass shower stall with safety glass door
Slide-bar showerhead
Air conditioning discharge vent
Lights

VIP GUEST STATEROOM

Queen berth
Carpeting
Vinyl headliner
Vinyl wall covering
Foam mattress(es) with bedspread, pillow shams
and pillows
Cedar-backed hanging locker with automatic light
LCD TV and DVD
Air conditioning system 10,000 BTU with digital control
AC/DC Lighting

FORWARD HEAD

Vinyl headliner
Vinyl wall covering
Teak and holly strip flooring
Designer countertops with integral sink and faucet
Toilet with holding tank level indicator
Medicine cabinet with mirrored doors
Exhaust fan
Fiberglass shower stall with safety glass door
Slide bar showerhead
Air conditioning discharge vent
AF/DC Lighting

GUEST STATEROOM

Upper and lower berths
Carpeting
Vinyl headliner with lighting
Vinyl wall covering
Foam mattress with bedspread, pillow shams,
pillows and nightstand
Cedar-backed hanging locker with automatic light
Air conditioning system with digital control

PORT HEAD

Vinyl headliner
Vinyl wall covering
Teak and holly flooring
Designer countertops with integral sinks
Toilet with holding tank level indicator
Mirrored medicine cabinet doors
Exhaust fan
Fiberglass shower stall with safety glass door
Slide bar showerhead
Air conditioning discharge vent

OPTIONAL EQUIPMENT

Optional equipment is available to customize each Davis Sportfishing Yacht to the unique tastes and requirements of its owners. Please see your Davis salesperson for a complete listing of optional equipment.

NOTES TO SPECIFICATIONS & EQUIPMENT

The company reserves the right to make changes without notice, at any time in equipment, materials, prices and specifications. Orders requesting any material and/or equipment which differs from that selected by Davis as standard or optional for this model will be considered a custom change and will require additional charges. Once production begins, the addition of option (not standard) equipment may require additional charges due to non-standard installation requirements and/or lead times. In order to show equipment size and location, line drawings and photos may show some optional equipment.

Capacities of tanks are estimates. Useable volume varies depending upon condition and circumstances.

Generator is not intended to supply power for all standard and optional accessories. Load must be limited to generator output rating.

Bow rails are recommended but are part of the client's sole and absolute outfitting responsibility.

Additional charge for custom work.

Weight, draft, freeboard and height are based on an estimate of model's displacement. Weight is estimated with fuel, holding and freshwater tanks half full. Actual figures will vary depending on production tolerances, equipment, supplies and stores on board, as well as operational and sea conditions.
